

Seeking Small Animal Surgical Interns

Exciting Opportunity for a small animal surgical internship!

Are you a small animal veterinarian looking for a surgical training opportunity in Singapore? Are you looking for a change, deciding to relocate or perhaps want that next challenge in your career? Look no further!

Beecroft is seeking small animal surgical veterinarian interns to join us. This role is the perfect opportunity to work collaboratively with our highly experienced surgical diplomates and would be best suited to someone looking to pursue a surgical residency in the near future.

This is a 12-month internship, due to start at the beginning of July 2024.

Who are we?

Beecroft Animal Specialist & Emergency Hospital is the only independent referral veterinary hospital in Singapore. Our Specialists provide a range of services, including small animal surgery, internal medicine, neurology, exotic companion animal medicine. We have certified hydrotherapists and rehabilitation veterinarians onboard to provide an uniquely integrated and holistic patient care approach.

For more information, visit our website: <https://beecroft.com.sg/>

What sets our hospital apart?

- Beecroft is a purpose-built, state-of-the-art veterinary hospital that provides the latest in cutting-edge, specialist treatments for cats, dogs and exotic species, supported by an exceptional rehabilitation facility.
- Equipped with state of the art veterinary diagnostics e.g. 1.5 T high-field magnetic resonance imaging (MRI), computerised tomography (CT) suite, Fluoroscopy, Ultrasound with echocardiography, Endoscopy, Interventional Radiology facilities.
- Receive training & mentorship by our resident surgery specialist.
- Enhanced training by visiting surgery specialists.
- Amazing location to relocate to. Singapore is a City in a Garden with high quality of life, one of the safest places to live and a lively community with plenty of restaurants and bars.
- Amazing connectivity and perfect getaway for exploring South-East Asia.

- You will be provided with a \$2000 continuing professional development allowance, plus 5 days paid study leave per annum.
- Discounted staff pet care for your beloved pet.

The Team that you will be joining

We believe in creating a friendly, close-knit team. We have a dedicated team of over 100 people, including 4 specialists and various support teams.

What do you need to join our team?

- A veterinary qualification eligible for licensure by the Singapore veterinary authority. For more information please visit:
<https://www.nparks.gov.sg/avs/animals/animal-health-and-veterinarians/veterinary-licensing/veterinarians>
- Demonstrate proactivity and enthusiasm as team players.
- Capability to work independently and under supervision.
- Excellent communication and interpersonal skills.

Interested in our training programme? We want to hear from you! We are keen to hear from candidates from all minority and diverse groups
