## **Certifying Examination Recommended Reading List**

### **Large Animal Surgery (from 2021 exam)**

A broad reading list does not mean that everything needs to be known in equal detail but allows the questions to be more clinically relevant.

All books and journals are listed in alphabetical order.

#### **Main Study Textbooks (in alphabetical order)**

- Advances in Equine Laparoscopy** Ragle CA. *Wiley Blackwell, 2012.*
- Diagnosis and Management of Lameness in the Horse** (2<sup>nd</sup> Edition) Ross and Dyson. *Elsevier, 2010.*
- Diagnostic and Surgical Arthroscopy of the Horse** (4<sup>th</sup> Edition) McIlwraith CW, Wright I, Nixon AJ, Boening KJ. *Mosby Ltd, 2014*
- Equine Fracture Repair** (2<sup>nd</sup> Edition) Nixon AJ. *Wiley, 2019*
- Equine Surgery** (5<sup>th</sup> Edition) Auer and Stick. *WB Saunders Co., 2018*
- Farm Animal Surgery** (2<sup>nd</sup> Edition) Fubini SL, Ducharme NG. *WB Saunders Co., 2016*
- Medicine and Surgery of Camelids** (3<sup>rd</sup> Edition) Fowler M. *Wiley Blackwell, 2010*

Knowledge of basic and applied anatomy (including surgical approaches) and physiology is assumed. Guidance for revision on these topics include the following textbooks:

- Guyton and Hall Textbook of Medical Physiology**, (13<sup>th</sup> Edition) Hall, J.E., *Elsevier 2015.*
- The Equine Distal Limb: An Atlas of Clinical Anatomy and Comparative Imaging**, Denoix JM. *CRC Press 2000*
- Veterinary Surgery, Small Animal, Volume 1 Chapters 1-19, 41, 46, 49**, Tobias and Johnston, *WB Saunders Co., 2012*

The following textbooks are a useful source of information to increase the understanding and depth of knowledge of the candidate but would not be considered essential reading. Candidates should use these sources to broaden their understanding of the pathophysiology and management of cases that they see throughout their residency training.

**Equine Anesthesia : Monitoring and Emergency Therapy**, (2<sup>nd</sup> Edition) Muir WW, Hubbel JAE. *Saunders, 2008*

**Mcllwraith and Turner's Equine Surgery: Advanced Techniques** Mcllwraith, CW; Robertson, JT; A. Simon Turner *Wiley- Blackwell 1998*

**Turner and Mcllwraith's Techniques in Large Animal Surgery**, (4<sup>th</sup> Edition) Hendrickson, D., Baird, A. *Wiley- Blackwell, 2013*

**Veterinary Clinics of North America: Food Animal Practice: Ruminant Surgery**, Ed.by Andrew J. Niehaus and David E. Anderson *Volume 32, Issue 3, Pages 535-848 November 2016 Elsevier Inc.*

#### **Journals for Large Animal Surgery Candidates**

Equine Veterinary Education

Equine Veterinary Journal and Supplements

Journal of American Veterinary Medical Association

Veterinary and Comparative Orthopaedics and Traumatology

Veterinary Surgery

The Veterinary Journal

The majority of exam questions will come from the literature published within the last **five** years. Questions may also come from older articles if they are considered significant and essential to the application of veterinary surgery.

This list of journals is not intended to be a compulsory reading list but candidates should be encouraged to select publications within these journals that apply to investigation, diagnosis and management of surgical conditions.
