

# What Can I Learn From my Mistakes? Think Outside the Box - Alternative Strategies for Difficult Cases

Sponsored by AO VET

Thursday, 4 July, 09:00-13:30

Congress Center, Valencia

Language: English

## Course type

Seminar

## Participation fee

250 €

## Course description

This comprehensive course is designed to immerse participants in the intricacies of equine health management and rehabilitation, with a particular focus on arthrodesis procedures. Through a series of interactive case discussions, participants will delve into real-world scenarios, honing their ability to assess cases, predict outcomes, and make informed decisions.
