

**College of Medical, Veterinary and Life Sciences  
School of Veterinary Medicine**

**Junior Clinician in Small Animal Surgery**

**Vacancy Ref: 088248**

**Salary Grade 7: £36,382 - £40,927 per annum**

The role of the Junior Clinician is to support an efficient and effective small animal surgical referral service by providing clinical activity under supervision of ECVS Diplomates and Advanced Practitioners, as well as participating in the out of hours service. The successful candidate will contribute to the School objectives relevant to national and international excellence in clinical service, teaching and research.

The College of Medical, Veterinary and Life Sciences is re-shaping this year to create 8 new Schools that bring staff together around thematic strengths, across the strategic pillars of education, research and innovation. More information on the College re-shape can be accessed here: [MVLS 2025](#). It is anticipated that the new College shape will take effect from 1 August 2022 and that this post will transition to School of Biodiversity, One Health & Veterinary Medicine.

This post is full time and fixed term for 12 months.
