

(Senior) Lecturer in Equine Dentistry

The University of Veterinary Medicine Vienna invites applications for a full-time position in Equine Dentistry at a lecturer or senior lecturer level. Applicants will ideally hold an EVDC/AVDC/ECVS/ACVS Diploma but full consideration will also be given to applicants that have completed the corresponding residency programme. The dental station is fully equipped with a dedicated x-ray unit, rigid and flexible endoscopy, stocks and all instruments required for equine dental surgery. The equine hospital includes two modern operating theatres, facilities for standing surgery, high-speed treadmill endoscopy, scintigraphy, CT and MRI. The hospital provides an established referral service to a diverse case load of 3000 patients annually of which appr. 450 are dental patients. Interested candidates are invited to submit a letter of application, curriculum vitae and the names and contact information of 3 references to "bewerbungen@vetmeduni.ac.at".

Required Skills:

- Diplomate EVDC, AVDC, ECVS or AVCS or successful completion of the corresponding residency with current board-eligibility
- Experience in equine dentistry
- English fluently written and spoken
- Excellent communication skills
- Ability to work in a team

Preferred Skills:

- German language skills
- Experience in teaching veterinary students
- Research experience

Interested candidates are invited to submit a written application (letter of intent, curriculum vitae and the names and contact information of 3 people willing to supply references) to bewerbungen@vetmeduni.ac.at (reference number: 2020/0707) by July 24th, 2020.
