

## **Small Animal Surgery Specialist at Northwest Veterinary Specialists**

With exciting growth plans for the future Northwest Veterinary Specialists is expanding and we're looking for a veterinary small animal surgery specialist to manage soft tissue surgical and orthopaedic cases.

Northwest Veterinary Specialists is a leading referral-only specialist small animal hospital in Cheshire. We are a true multidisciplinary hospital with departments in orthopaedic surgery, soft tissue surgery, neurology, internal medicine, oncology, anaesthesia and diagnostic imaging. The hospital is equipped to a very high standard and provides excellent inpatient facilities with qualified RVNs and veterinary interns on-site 24/7. Imaging includes computed radiography, fluoroscopy (with digital subtraction and road-mapping), ultrasonography and on-site MRI and CT.

Our surgery team is supported by other specialty services, residents, interns and nursing team and this allows pets to receive excellence clinical round the clock care throughout their hospital stay.

For more information please visit : <https://www.nwspecialists.com/services/orthopaedic-surgery/>

Your main responsibility will be managing soft tissue surgical and orthopaedic cases in dogs and cats. The ideal applicant would be an ECVS Diplomate or ACVS Diplomate or a board-eligible candidate. The successful candidate will need to be registered with RCVS ([www.rcvs.org.uk](http://www.rcvs.org.uk)).

Northwest Veterinary Specialists is an easy commute from Chester, Liverpool, North Wales and Manchester. Major road and train routes, as well as international airports, are within easy reach, as are beautiful national parks, forests and mountains.

Remuneration will be commensurate with experience and qualifications. Benefits include 30 days annual leave plus bank holidays, enhanced Company pension scheme, paid Professional memberships including RCVS Library membership, Private Medical Insurance, Income Protection, Death in Service Cover, generous CPD allowance, extensive Linnaeus/Mars training framework including structured Leadership training and Relocation assistance scheme.

If you would like to join our team, and you share our passion for delivering outstanding clinical standards and client and patient care, then we would be pleased to hear from you.
