

At Kleintier-Chirurgie Dreilinden in Berlin we are looking for a:

Diplomate Surgeon for Small Animals (m/f/d)

Location: Kleintier-Chirurgie Dreilinden – Berlin, Germany

Start Date: As soon as possible | Full-time

Focus: High-level Surgery | Long-term Succession Opportunity

The Position

We are seeking a board-certified **Diplomate ECVS or ACVS (m/f/d)** to join our small animal referral surgery practice in the south of Berlin. This is a unique opportunity for an experienced and passionate surgeon to operate at the highest level and contribute meaningfully to the future direction of the clinic – with a potential pathway toward succession.

About the Clinic

“Kleintier-Chirurgie Dreilinden” is a renowned referral practice for complex surgical cases. Equipped with the latest technology and led by a Diplomate Surgeon, we combine technical excellence with clinical expertise. The practice owner performs all advanced procedures personally and often serves as a trusted second opinion for referring veterinarians.

Your Responsibilities

- Perform advanced surgical procedures in orthopedics, soft tissue, and neurosurgery
- Utilize high-end diagnostic tools (CT, digital X-ray, ultrasound, endoscopy) for precise case management
- Work closely and collaboratively with the practice owner on a peer-to-peer level
- Ensure clear, professional communication with referring veterinarians and manage case follow-ups
- Engage in regular continuing education to stay at the cutting edge of surgical care
- Optionally: Get involved in strategic development of the clinic with a view to long-term succession

Your Profile

- Board-certified ECVS or ACVS surgeon with a strong professional presence
- Confident in handling complex surgical cases with calm and reliability
- Excellent communication skills and a strong sense of teamwork
- Passionate about sharing knowledge and collaborating with peers
- Open to long-term perspectives and the possibility of taking on a future leadership role

What We Offer

- Above-average compensation and accurate time tracking with electronic system
- A close professional collaboration with the owner on equal footing
- An opportunity to shape the future of a prestigious referral practice
- Access to the “Smartemis network” with national peer connections, continuing education, inter-practice exchange programs, and our “Leadership Academy”
- High quality of life in one of Europe’s most vibrant cities

Interested or have questions about the position?

We look forward to hearing from you!
