

**POSITION ANNOUNCEMENT**  
**ASSISTANT/ASSOCIATE CLINICAL PROFESSOR OF EQUINE SURGERY**  
**DEPARTMENT OF CLINICAL SCIENCES**  
**NCSU COLLEGE OF VETERINARY MEDICINE**

The Department of Clinical Sciences (DoCS) at the NC State University College of Veterinary Medicine (CVM) is seeking a professional faculty track Assistant/Associate Clinical Professor of Equine Surgery.

**Position Information:** The position requires in-depth knowledge and experience in the diagnosis and management of equine soft tissue and emergency surgical diseases and post-operative care. The candidate must be an American College of Veterinary Surgeons (ACVS) or European College of Veterinary Surgeons (ECVS) diplomate or eligible to take the ACVS phase II examination or ECVS certification examination. The candidate should possess surgical expertise in soft tissue and emergency surgical procedures and will bring innovative diagnostic and therapeutic approaches to complement and enhance existing expertise in Equine soft tissue surgery and Emergency services. The incumbent must be an effective communicator and teacher, provide state-of-the-art care to patients and clients, build positive and collaborative relationships with referring veterinarians, and further develop the caseload.

The person in this role will be responsible for didactic and clinical teaching of veterinary students, as well as teaching, mentoring, and advising of house officers. They will be a productive, collegial, and active member of the Equine soft tissue surgery service. The candidate will interact frequently with the Equine Internal Medicine, Anesthesia, Food Animal and Radiology Services. Participation in collaborative research and contribution to NC State and regional research is expected. A strong commitment to teamwork and contributing to a collegial, collaborative clinical environment is essential. Additional responsibilities will include participation in a day and nighttime emergency service.

**Qualifications:**

DVM or equivalent degree and eligibility for veterinary licensure (or faculty certificate) in North Carolina. Diplomate, American College of Veterinary Surgeons or European College of Veterinary Surgeons or eligible to take the Phase II ACVS examination or ECVS certification examination. Must possess excellent interpersonal and communication skills and a demonstrated ability to work with others in a collegial team atmosphere. ACVS or ECVS Diplomate status and 3-5 years of ACVS or ECVS Diplomate experience are preferred.

Salary: Commensurate with candidate's experience and qualifications
