

Soft Tissue Surgeon

Wear Referrals is keen to recruit a boarded ECVS or ACVS soft tissue surgeon. Wear Referrals operates from a newly built, state-of-the-art, multidisciplinary referral hospital in the North East of England.

The Soft Tissue Surgery Service is supported by multiple services in the specialities of internal medicine, neurology, anaesthesiology, orthopaedics and cardiology. We also run a 24 hour emergency and critical care service. We strive to achieve clinical excellence within a working environment that promotes and cherishes collegiality and communication.

Our on-site diagnostic imaging facilities currently include, 1.5T Siemens Magnetom Essenza MRI, 16 slice Siemens Somatom Emotion helical CT, digital radiography, C-Arm fluoroscopy, GE Vivid ultrasound and Sonoscape S9 touchscreen ultrasound.

We are seeking a motivated, enthusiastic individual with excellent communication skills. This position is ideal for a diploma holder who is interested in Soft Tissue Surgery. Candidates eligible to sit the diploma exams will also be considered as will candidates interested in both Orthopaedics and Soft Tissue Surgery.

Wear Referrals is one of leading multidisciplinary referral centers in the United Kingdom and you will be a key member of a team that has ambitious, but achievable plans for continued growth and development into a hospital with an international reputation for excellence in clinical care and education.

We offer an extremely competitive salary with employer's pension contributions and large CPD allowance.

Wear Referrals is based in County Durham close to the historic University City of Durham. The beautiful Yorkshire coast and two national parks (including the Yorkshire Dales) are within half an hour's drive. The vibrant historical cities of Newcastle, York and Leeds are also nearby. Both Durham Teesside Airport and Newcastle airport are within 35 minutes from the new hospital and both offer domestic flights with rapid connections to major international airports in London and Amsterdam.

Please submit your CV to Gerard te Lintelo, Clinical Director. You can also contact Gerard by phone if you would like to have an informal chat about this position.
