Fabulous opportunity in Cheshire

Ambitious Equine vet required for modern and very well equipped private clinic in Nantwich, Cheshire. Excellent surgical suite and equipment awaits successful

applicant.

Our lovely Italian surgeon is moving on and we need someone to continue his excellent surgical record. This would suit someone coming out of a surgical residency that wants to make their own mark on the profession. Initially the role would effectively be part (2/5) surgery/ advanced lameness in clinic and rest high standard ambulatory. So would suit a strong confident individual who is happy to take on other tasks while further developing surgical department. We are happy to support and invest further in this, as needs arise.

Generous salary depending on skills and experience, 30 days holiday + cpd encouraged and funded. 1:5 equally shared rota, practice vehicle supplied, pension, healthsheild,Vds and RCVS fees paid.

Ideally start mid August 22.
